The Lint Question.

Dr Lambert, who has just returned from the battle-field at Bull Run, says that the scraping of lint for the army is labor thrown away. The surgeons would prefer the cloth saw was massed in huge wads and used for packing, &c. To back up this opinion and statement, we have an article before us, just published in the Boston Medical and Surgical ing women of the country, that they can be We have also just published new editions of the follow-better employed that oakum is better than ing useful and popular books: better employed, that oakum is better than ling userul and popular books:

THE BUSINESS MAN'S LEGAL ADin the Massachusetts general hospital in a year. The medical commission of Massachusetts have issued a statement over their own signatures, in which they say that "they are satisfied that there are other means (besides lint) that in most cases would be more useful. OPPORTUNITIES FOR INDUSTRY; or. and in all equally so."-Springfield Republi-

That is encouraging! After the women That is encouraging! After the women and children all over the country have been picking lint for fifteen months, the discovery that it is "labor thrown away" comes with an ill grace.

The women are the buyer a bundred fold. Every parent should get them for their sons.
